Re: Powell Road Landfill

Dear Ms. Martwick:

We represent Hewitt Soap Company, Inc., in connection with the Agency's request for information pursuant to Section 104(e) of CERCLA for the Powell Road Landfill in Hubert Heights, Ohio. We received the information request on or about August 27, 1996 and have begun the process of responding to it. However, in light of the volumes of historical data we must review in order to completely respond to the request, and due to the difficulty in locating some information dating back over 30 years, we respectfully request an additional 30 days within which to respond to the Agency's request.

Thank you in advance for your cooperation.

Very truly yours,

Steven P. Denton
